The main map is a detailed cadastral-style map of the Spilamberto area. It shows the Panaro river flowing through the center, with several tributaries like the Fiume Tione and Fiume Seco. The map is overlaid with a grid of property boundaries and elevation points. Two specific areas are highlighted: a blue line outlines the 'Perimetro AEC "Ponte Guerra"' in the upper left, and a red line outlines the 'Perimetro POLO 8' in the lower right. The map also shows various towns and villages, including Spilamberto, San Cesario sul Panaro, and others. The scale is indicated as 1:5,000.
